"In the Spotlight Costume Shop" owner Katy Steinkamp says she wants the business to be known as more than a costume shop. "I want it to be a kind of show place. Have people say, oh, you need a costume? Have you seen the place in Pierce? It has a castle, or pirate ship in it. They'll have what you want!"

Steinkamp said, this place is about having fun, going through the more than 20,000 costumes, exploring, and you put your costume together. "You get to be creative, you make the costume, which I feel appeals to people."

A Grand Re-opening for the business is planned for this Saturday, September 17, 9:00 a.m. to 5:00 p.m. at the new location, 115 S. Brown St. in downtown Pierce. The shop has moved from the location on S. Second St. and is now located in the building formerly Hometown Market. The Pierce Chamber of Commerce is also hosting a ribbon cutting ceremony on Friday, September 16, at 9:30 a.m. An event everyone is invited to attend.

Steinkamp said during the grand re-opening, people can stop in, try on costumes, find one they like, and then take photos.

During the week, the shop is open Mondays and Wednesdays from 5:30 p.m. to 8:30 p.m. or call 402-929-0543 to schedule an appointment.

Steinkamp purchased the business, at the time named Dress Rehearsal Costume Shoppe, from Julie Mass in 2020. The business was located at 314 S. Second St. in Pierce until the move to the Brown St. location this year.

The new location affords a wide-open layout, better suited to display the thousands of costumes, props, and accessories that are available. The display isles are decorated with theater set entrances, and divided into sections, for example: Victori-

LAMBRECHT CEMETERY ASSOCIATION OF PIERCE COUNTY, NEBRASKA

MINUTES OF 2022 ANNUAL MEETING OF MEMBERS

The 2022 Annual Meeting of the Members of the Lambrecht Cemetery Association of Pierce County, Nebraska, was held on Sunday, October 2, 2022, at 1:30 p.m., in the Fellowship Hall of the United Church of Christ, 303 South Brown Street, Pierce, Nebraska 68767. A Notice of the 2022 Annual Meeting of the Members of the Lambrecht Cemetery Association of Pierce County, Nebraska, had been published prior to the meeting in the September 14 and 21, 2022 issues of the Pierce County Leader newspaper and in September 21 and 28 issues of the Plainview News newspaper, both being legal newspapers published in Pierce County, Nebraska. The Certificate of the Clerk as to the publications will be filed in the Clerk/Secretary's book.

The following Members/Trustee/Officers of the Lambrecht Cemetery Association were present for the 2022 Annual Meeting, to wit: Tom Kuether, Betty Leisner, Loren Lindahl, Jeff Ryan, Lynn Spatz, Dori Walton, and Jacob Wostrel. The Clerk/Secretary, Loren, stated that Neb. Rev. Stat. §12-501(4) provides that a quorum of the Members of a cemetery association shall consist of four or more members of such association being present at a meeting of the members of the association. As four or more members of the Lambrecht Cemetery Association are present, the Clerk declared a quorum of the Members was present.

Betty, as President, called the Annual Meeting of the Members to order. The Tombstone Restoration Project was discussed by Tom and Dori who indicated that all of the assigned tombstone restoration work to be done by Jerry Nordeen of Monument Solutions, LLC in the Lambrecht Cemetery had been completed. All Members present commented favorably as to the scope of the Project, its satisfactory conclusion, and the greatly enhanced appearance of the Cemetery.

Loren offered to read the Minutes of the prior 2021 Annual Meeting of the Members but the Members agreed to dispense with said reading. Member Lynn moved that the 2021 Minutes be approved. This motion was seconded by Member Dori. All Members present voted to approve the 2021 Minutes and President Betty declared the motion adopted. The Members' Directory was reviewed. Since Arlin and Mardell Miller have not chosen their two Burial Spaces, Loren offered to contact them to obtain that information. Loren also noted the six issues of the Lambrecht Cemetery Newsletter which began in February of 2022. Lynn indicated that she was not receiving it. This will be looked into by Loren and Lynn.

The Treasurer's Financial Report was then given by the Treasurer, Dori. Dori presented the 2022 Treasurer's Report in written form which is attached to these Minutes and incorporated herein by reference. Member Jacob made a motion to approve the 2022 Treasurer's Report. Betty seconded said motion. There being no further discussion, said motion was approved by the Members and President Betty declared the motion adopted. Dori also presented an updated Lambrecht Cemetery Tombstone Restoration Project Donation List, a copy of which is attached to these Minutes.

President Betty then gave a report as to the internments, purchases, mowing, and liability insurance presently being maintained for the Lambrecht Cemetery. Since the 2021 Annual meeting on October 1, 2021, to present, there had been the following internments in the Lambrecht Cemetery, to wit: **Deon Lambrecht** and **Duane Jelinek**. **Mary E. Birch** has purchased a Burial Space in the Birch Lot 60 of the Cemetery. Betty further reported that Brice Buckendahl mowed the grasses of the Lambrecht Cemetery seven times in 2022 and will continue to be so employed at a contract rate of \$125.00 per mowing with an additional fee/surcharge for an increase in fuel costs and/or clean up as necessitated and directed by the Trustees. The liability insurance policy for the Lambrecht Cemetery is with Farmers Mutual of Nebraska Insurance Company through the insurance agency of Town & Country Insurance in Pierce, Nebraska, and will be renewed for an additional year and the premium of \$50.00 paid accordingly. Jacob was thanked by the Members present for the preparation, costs, and placement of the sign at the entrance of the Lambrecht Cemetery stating the Association's policy regarding the timeframe in which grave decorations would be permitted and/or not permitted on the Cemetery grounds.

The Members then discussed a motion to ratify all prior acts and conduct of the Trustees/Officers of the Lambrecht Cemetery Association from October 1, 2021 to present. Dori made a motion to that effect, which was seconded by Tom. There being no further discussion, the Members of the Lambrecht Cemetery Association unanimously approved said motion and President Betty declared the motion adopted.

The Members then moved onto new business. The Members discussed a meeting date for the Annual Meeting of the Members. Dori moved that the Annual Meeting date be in the month of October with the Trustees/Officers setting the actual date, time, and place of the meeting, notice of the meeting date, time, and place to be published at least fifteen days prior to the meeting date in one or more legal newspapers published in Pierce County, Nebraska. Lynn seconded this motion. After discussion, all Members present voted to approve this motion. President Betty declared the motion adopted.

The Members then reviewed the expenses and donations for the general maintenance of the Lambrecht Cemetery for 2022 as indicated on the Treasurer's Report of 2022 and determined that there would be no assessment of the Members in 2022 for said general maintenance expenses.

All Officers stated that they would not accept any monetary compensation for their services to the Lambrecht Cemetery Association though they would be entitled to be reimbursed for their out of pocket expenses. Also, the Trustees, as a whole, would agree to act as the Sexton of the Lambrecht Cemetery. The fee for the purchase of a burial space would remain at \$100.00.

The condition of the main entrance gate to the Cemetery was also discussed. Tom stated that an anonymous donor had approached him who was willing to pay for the cost of the manufacture of a new gate for the main entrance to the Lambrecht Cemetery, based on a design of the gate proposed by Tom and agreed to by the Members present, the Cemetery Association to pay for the cost of its installation. Dori moved that Tom be authorized to work with the anonymous donor in the manufacture of this gate, based upon the design submitted by Tom, and that after its

manufacture, the Cemetery Association pay or furnish the labor for the installation of the gate. Jacob seconded the motion. After discussion, all Members present voted in favor of the motion and President Betty declared the motion adopted.

The dirt pile in the southwest corner of the Cemetery was then discussed. Tom indicated that he had been in contact with the adjacent landowner, Chris Unseld, who agree that Tom, by removing a portion of the Cemetery's fence near the dirt pile, would be able to take a majority of the dirt from the dirt pile and spread it onto the Unseld land. Tom will leave a smaller dirt pile in the southwest corner of the Cemetery for future maintenance purposes on the Cemetery grounds. All Members present thanked Tom for his efforts in getting the dirt pile issue resolved.

Loren then stated that he was looking at a computer software program called Crypt-Keeper for purposes of keeping records for the Cemetery. There is an internet version for which there is an annual fee but permits multiple users or a desktop version for which there is a one-time fee but allows only one user. Though there was not great enthusiasm among the other Members present as to this program, Loren volunteered to donate the fee for the internet version and to work with the program, with others who may be interested in keeping these records for the Cemetery, and report at the next Annual Meeting the success or non-success of the venture.

Dori then stated that she would like to see the Cemetery's road frontage fence improved by raising it slightly so the vegetation under it could be cut and to also change the fence posts from the current "t" steel posts to more decorative posts in an effort to enhance the appearance of the Cemetery. All Members present stated that they would be in favor of that proposal. Dori is to work with the Trustees and other Members on this project.

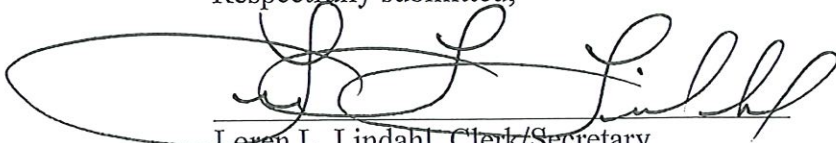

Though not specifically an Agenda item, it was mentioned by the Members that there are several unmarked "known" burials in the Cemetery based upon notations on the Bishop and Voecks' plats of the Cemetery and previous "witching" in the area of these notations. The Members agreed that those unmarked "known" burial sites should be marked with permanent stone markers. Loren agree to determine the costs of the stone markers and the number required and report back to the Members his findings.

There being no further old or new business to discuss, all matters on the Agenda having been discussed and acted upon or passed over, Betty then announced that effective at the close of this Annual Meeting, she was resigning as an Officer of the Lambrecht Cemetery Association. She stated that she would continue as a Trustee of the Association. Betty has been continuously since 1983 the President/Chair of the Lambrecht Cemetery Association. The Members present thanked Betty for her years of service to the Lambrecht Cemetery Association. Thereafter, Lynn made a motion to accept Betty's resignation as President of the Cemetery Association, to elect Tom, who is the current Vice-President, as President, and to elect Jeff as Vice-President. Jacob seconded the motion. All Members present voted in favor of the motion and Betty declared the motion adopted.

Betty further stated that even though she is not continuing as President, the United Church of Christ Fellowship Hall may still be used as a meeting place for future Annual Meetings of the Members of the Lambrecht Cemetery Association.

There being no further business to be conducted, the 2022 Annual Meeting of the Members of the Lambrecht Cemetery Association was adjourned by Betty at 2:10 p.m.
